Mr. Dorlyn Evancic reports,

Gemco Minerals Inc. ("Gemco") is pleased to announce that it has acquired another 2,692 acres (1,089 hectares) of additional property, adjacent to its Burns Group Gold and Silver mineral property. The claims are strategically located on the northwest side of Burns Group claims which also borders the prominent Bonanza Ledge gold discovery, located in the historic gold rush Cariboo region of British Columbia, Canada. Gemco's Burns Group property now encompasses 12,441 contiguous acres (5,037 hectares).

The acquisition consists of 50,000 common shares of Gemco to be issued to an arm's length party. Gemco has also agreed to give further consideration to the party, for services which will be rendered from time to time in regards to the newly acquired property. Gemco is a progressive Company which will continue to make strategic acquisitions in the area for its short and long term exploration and development plans in the region.

On behalf of the Board of Directors,  
Gemco Minerals Inc.,

"Dorlyn Evancic"  
Director and CFO
